**TERMINAL DISCLAIMER AND
STATEMENT OF COMMON OWNERSHIP**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Sting Free Company is the sole owner of and has an undivided interest in the instant application (as shown by the Assignment recorded at Reel 014505, at Frames 0839 - 0849) and is the sole owner of and has an undivided interest in prior U.S. Patent 6,652,398 (as shown by the Assignment recorded at Reel 014505, at Frames 0866 - 0870) [hereafter referred to as the "Prior Patent"], hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173, as presently shortened by any terminal disclaimer, of the Prior Patent. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the Prior Patent are commonly owned. This

agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of the Prior Patent, as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.821, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

The undersigned hereby states that he is empowered to act on behalf of the owner identified above.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
